

Troubleshooting Checklist

Designed to help you recognize and record any warning signs you may be experiencing with your vehicle.

Keep this with your owner's manual and bring it in with your next service. It will help take a lot of the guesswork out of the process and make for a more accurate diagnosis and repair.

I Want to Remember to Talk to My Service Manager About: _____

It happens when:

My car is moving and ...

- I'm braking
- I'm shifting gears
- I'm accelerating
- I'm decelerating
- I shift from forward to reverse
- I'm turning
- At _____ mph
- On rough roads

When the engine is:

- idling
- hot
- cold
- being started
- warming up
- stopped

And happens:

- always
- comes & goes

When I use my:

- heater/air-conditioner
- rear window defogger
- starter
- radio/power antenna
- clutch
- windshield wiper/washer
- Other: _____

It Smells Like:

- sweet maple syrup, from under the hood
- burning paper
- hot oil
- gym socks, coming from the air conditioner
- burnt carpet

- rotten eggs
- burning rubber
- melting metal
- a gas station
- burning gas

It Sounds Like:

- FFFffft, FFFffft, from under the hood
- SCREECHING, from under the hood
- POPPING, from under the hood
- SCRAPING, from under the hood
- HISSING, from under the hood
- SCREECHING, from under the hood
- CLANGING, from under the hood
- CLICKING, while idling

- SQUEAKING, when braking
- GRINDING, when braking
- SQUEAKING, when shifting gears
- GRINDING, while shifting gears
- CLUCKING, when gears change
- THUMP, THUMP, from the tire(s)
- EEEEEee, from inside the wheels
- GROWLING, from the air conditioner

In My Garage or Driveway, I See:

- heavy, dark stains
- clear liquid with a soapy feel
- heavy oil stains
- pink fluid
- vivid red fluid

- bright yellow, green, pink or orange stains
- brown and cloudy fluid

Name: _____

Date: _____
